

## Fluency Questions to Consider

1. Describe the onset and development of your child's disfluent speaking patterns.

---

---

---

---

---

---

---

2. Provide a brief description of a typical day for your child.

---

---

---

---

---

---

---

3. On a scale of 1 to 5, how concerned are you? Your spouse? Your child?

---

---

---

4. How do you handle your child's disfluencies? How do you think that others should handle these disfluencies?

---

---

---

5. In what ways (if any) do you think these disfluencies have impacted your child?

---

---

---

6. Why do you believe that your child is currently disfluent?

---

---

---

7. How does your child get along with his peers?

---

---

---

8. What special allowances (if any) do you think your child should receive because of his disfluencies?

---

---

---

9. How independent is your child compared to her same aged peers?

---

---

---

10. How has your child reacted to his disfluencies?

---

---

---

11. Are there special factors that you think may contribute to your child's disfluent speech?

---

---

---
